Federal Communications Commission
Office of the Secretary
CSR No. 8572-E

MB 12-10

To: Chief, Media Bureau

PETITION FOR SPECIAL RELIEF

Comcast Cable Communications, LLC, on behalf of its subsidiaries and affiliates ("Comcast"), pursuant to Sections 76.7 and 76.907 of the Commission's rules,¹ requests that the Commission find that Comcast's cable operations face "effective competition" in the above-captioned Illinois franchise areas (collectively the "Franchise Areas").

The Communications Act of 1934, as amended (the "Act"), and the Commission's rules provide that cable television rates may be regulated only in the absence of effective competition.² Cable operators are entitled to demonstrate that effective competition exists on a franchise-by-franchise basis.³ When a cable operator demonstrates that effective competition exists within a franchise area, cable rates in the affected area are no longer subject to regulation.⁴

¹ 47 C.F.R. §§ 76.7 and 76.907.

² 47 U.S.C. § 543(a)(2); 47 C.F.R. § 76.905(a).

³ 47 C.F.R. § 76.907.

⁴ See *Implementation of Sections of the Cable Television Consumer Protection and Competition Act of 1992, Rate Regulation*, 8 FCC Rcd. 5631, 5664-5665 (1993) ("Rate Order").

Under the “competing provider” test set forth in Section 623(l)(1)(B) of the Act and Section 76.905(b)(2) of the Commission’s rules (the “Competing Provider Test”), a cable system will be deemed subject to effective competition if:

- (i) the franchise area is served by at least two unaffiliated multichannel video programming distributors (“MVPDs”), each of which offers comparable programming to at least 50 percent of the households in the franchise area; and
- (ii) the number of households subscribing to multichannel video programming other than the largest MVPD exceeds 15 percent of the households in the franchise area.⁵

As demonstrated below, the Competing Provider Test is satisfied in three of the four Franchise Areas – Lisle, Saint Charles, and Wheaton - because two unaffiliated DBS providers serve over 50 percent of the Franchise Area’s households with comparable programming and the aggregate penetration rate reported for “Competing Providers” exceeds the 15 percent threshold in each of the Franchise Areas.⁶

In addition, under the “low penetration” test set forth in Section 623(l)(1)(A) of the Act and Section 76.905(b)(1) of the Commission’s rules (the “Low Penetration Test”), a cable system serving less than 30 percent of the subscribers in a particular franchise area shall be deemed subject to effective competition and exempt from rate regulation in that community.⁷ Comcast satisfies the Low Penetration Test in the Elgin Franchise Area. As shown below, the reported penetration level for Comcast is 11.16 percent in this Franchise Area.

⁵ 47 U.S.C. § 543(l)(1)(B)(i) and (ii); 47 C.F.R. § 76.905(b)(2)(i) and (ii).

⁶ As explained below, in the Lisle, Saint Charles, and Wheaton Franchise Areas, the competing penetration figure includes subscribers from local MVPD competitor AT&T, as well as from the two major DBS providers.

⁷ See 47 U.S.C. § 543(l)(1)(A) and 47 C.F.R. § 76.905(b)(1).

I. THE COMPETING PROVIDER TEST IS SATISFIED IN THREE OF THE FRANCHISE AREAS

The two prongs of the Competing Provider Test are straightforward and objective. Both prongs of this Test are clearly satisfied in three of the Franchise Areas.

A. More Than Two Unaffiliated MVPDs Offer Programming Comparable to Comcast to Over 50 Percent of the Households in the Franchise Areas.

The first prong of the Competing Provider Test requires that a franchise area must be served by “at least two unaffiliated multichannel video programming distributors...”⁸ This requirement is easily satisfied, because the two major direct broadcast satellite providers (DirecTV, Inc. and Dish Network, Corp.) (“DBS Providers”) are unaffiliated with Comcast and “offer” programming that is comparable to Comcast to more than 50 percent of the households in Comcast’s Franchise Areas.

Service of an MVPD will be deemed “offered” when it is both *technically* and *actually* available.⁹ The Commission has determined that DBS service is presumed to be “technically available” throughout the country due to its nationwide satellite footprint.¹⁰ Comcast’s Franchise Areas are well within the satellite footprint of DirecTV and Dish Network. Thus, both DirecTV and Dish Network are “technically available” in the Franchise Areas.

⁸ 47 U.S.C. § 543(1)(B)(i); 47 C.F.R. § 76.905(b)(2)(i). Section 602 of the Communications Act of 1934, as amended, defines “multichannel video programming distributors” to include cable operators, as well as DBS and MMDS providers. See 47 U.S.C. § 522(13).

⁹ *Rate Order*, ¶ 29.

¹⁰ See *MediaOne of Georgia, Inc.; Petition for Revocation of the Certification of Gwinnett County, Georgia*, 12 FCC Rcd. 19406, ¶ 5 n.16 (1997) (citing *Rate Order*, at 5660-5661).

DBS service is presumed to be “actually available” if households in a franchise area are made “reasonably aware” that the service is available.¹¹ The Commission has stated that “a party may use evidence of penetration rates in the franchise area (the second prong of the competing provider test . . .) coupled with the ubiquity of DBS services to show that consumers are reasonably aware of the availability of DBS service.”¹² The same reasoning applies here. DirecTV and Dish Network are among the largest MVPDs in the nation.¹³ With approximately 33.6 million subscribers nationwide,¹⁴ comprising over 33.6 percent of all MVPD subscribers,¹⁵

¹¹ See Rate Order at ¶ 32 (citations omitted). See also *Charter Communications, LLC d/b/a Charter Communications Petition for Determination of Effective Competition in Fourteen North Carolina Communities, et al.*, 19 FCC Rcd. 7003, ¶ 4 (2004).

¹² *Comcast Cable Communications, LLC Petition for Determination of Effective Competition in Various Michigan Communities*, 23 FCC Rcd. 9595, ¶ 5 (2008), citing *Mediacom Illinois LLC et al., Eleven Petitions for Determination of Effective Competition in Twenty-Two Local Franchise Areas in Illinois and Michigan*, 21 FCC Rcd. 1175 (2006) (“Comcast – Various Michigan Communities”). Thus, the Commission has not required the production of advertising to demonstrate that households in the franchise area are “reasonably aware” of the availability of DBS service. See *Bright House Networks, LLC Petition for Determination of Effective Competition (Lake Alfred and Dundee FL)*, 22 FCC Rcd. 4390, ¶ 6 (2007) (“Over more than ten years, we have made hundreds of findings that households in particular franchise areas are reasonably aware that they may purchase DBS services based on localized evidence. These accumulated showings amount to substantial evidence that households in all franchise areas are reasonably aware that they may purchase DBS services. In at least one earlier reported decision, we found households in a franchise area to be reasonably aware that they may purchase DBS service solely based on evidence of DBS’s nationwide growth and local subscriptions, without reference to advertising or other promotion.”) (“Bright House Networks – Florida”).

¹³ See *Thirteenth Annual Assessment of the Status of Competition in the Market for the Delivery of Video Programming*, MB Docket No. 06-189, FCC 07-206, ¶ 76 (rel. Jan. 16, 2009).

¹⁴ See Press Release, DirecTV, DirecTV Announces First Quarter 2011 Results (May 5, 2011) (reporting that, as of Mar. 31, 2011, DirecTV had 19.4 million subscribers), available at <http://investor.directv.com/releasedetail.cfm?ReleaseID=574719>; Press Release, DISH Network, *DISH Network Reports First Quarter 2011 Financial Results* (May 2, 2011) (reporting that, as of Mar. 31, 2011, Dish Network had approximately 14.2 million subscribers), available at <http://dish.client.shareholder.com/releasedetail.cfm?ReleaseID=573404>.

¹⁵ Press Release, *SNL Kagan’s U.S. Multichannel Subscribers 4th Quarter 2010 Results*, SNL Kagan, March 15, 2011, available at <http://www.snl.com/InTheMedia.aspx> (reporting approximately 100.1 million video subscribers in the U.S.).

ubiquitous advertising, and the substantial DBS penetration figures in the Franchise Areas, it is clear that consumers in the Franchise Areas are “reasonably” aware of the availability of DBS competitors.¹⁶

The Competing Provider Test also requires that the programming offered by the competing providers must be “comparable” to the programming offered by the cable operator.¹⁷ The Commission’s rules define comparable programming as “at least 12 channels of video programming, including at least one channel of nonbroadcast service programming.”¹⁸ The Commission has repeatedly recognized that the DBS Providers offer comparable programming to Comcast under the Commission’s Competing Provider Test.¹⁹ Each of the DBS Providers offer well over 100 video channels, most of which are non-broadcast services.²⁰ And, as shown in the attached channel line-up, Comcast’s programming service offerings in the Franchise Areas are substantially similar to the DBS programming services.²¹

Based on the above facts, Comcast has satisfied the first prong of the Competing Provider Test.

¹⁶ See, e.g., *Comcast – Various Michigan Communities*, ¶ 5; *Bright House Networks – Florida*, ¶ 6.

¹⁷ See 47 U.S.C. § 543(1)(B)(i); 47 C.F.R. § 76.905(b)(2)(i).

¹⁸ 47 C.F.R. § 76.905(g).

¹⁹ See, e.g., *Comcast Cablevision of Maryland, Inc., Petitions for Determination of Effective Competition (Charles County, MD)*, 19 FCC Rcd. 7130, ¶ 4 (2004) (“We find that the programming of DBS providers satisfies the Commission’s program comparability criterion because DBS providers offer more than 12 channels of video programming, including more than one non-broadcast channel.”).

²⁰ See Channel Line-ups of DirecTV and Dish Network, attached hereto as Exhibit 1.

²¹ See Comcast Channel Line-up, attached hereto as Exhibit 2.

B. The Competing Providers Serve Greater Than 15 Percent of the Households In Comcast's Franchise Areas.

The second prong of the Competing Provider Test requires that the subscriber base of competing MVPDs, other than the largest MVPD, exceeds 15 percent of franchise area households. The Commission rules provide that once this first prong of the Competing Provider Test is satisfied, as it is with the DBS service offerings in this case, the subscribers of *all* qualifying MVPDs count toward the 15% penetration figure necessary for a determination of effective competition (even if they are not available themselves to more than 50% of local households).²² Accordingly, the Competing Provider subscriber tallies presented in this Petition for the Franchise Areas include subscribers from AT&T, as well as from the two major DBS providers.

Comcast obtained AT&T's subscribership in the Franchise Areas directly from MVPD competitor AT&T.²³ As shown in Exhibit 4, AT&T provides competing cable service in each of the three Franchise Areas.²⁴

The process of determining the precise number of DBS subscribers within a franchise area is not an exact science because DBS Providers track their subscribers according to the zip codes where each subscriber resides, rather than by political jurisdiction. In this case, Comcast

²² See 47 C.F.R. § 76.905(f) (Emphasis added); see also *Time Warner Entertainment Co., L.P. et al. v. FCC*, 56 F.3d 151 (D.C. Cir. 1995) (holding that the subscriber ownership of all MVPDs, other than the largest MVPD, may be aggregated to satisfy the 15 percent threshold).

²³ AT&T's "comparable" channel lineup is set forth in Exhibit 3.

²⁴ AT&T's subscribership information was provided to Comcast on the condition that Comcast would seek confidential treatment with respect to such information. Accordingly, Comcast hereby requests that the Commission grant confidential treatment to AT&T's subscriber information and provide AT&T a reasonable opportunity to procure confidential treatment of such information prior to disclosure if the Commission objects to treating the information confidentially. Comcast submits AT&T's subscriber figures for the Franchise Areas as **Confidential Exhibit 4** to this Petition (with a separately-submitted redacted version for inclusion in the public file).

relied on ZIP+4 codes associated with the Franchise Areas in order to determine the number of DBS subscribers within the Franchise Areas. The Commission has previously accepted ZIP+4 codes as "reasonable and sufficiently reliable for purposes of determining the presence of effective competition,"²⁵ and previously has stated its preference for this approach.²⁶

To determine the relevant ZIP+4 codes for the Franchise Areas, Comcast contacted Media Business Corp. ("MBC," previously known as "SkyTrends"). MBC has developed a process to accurately identify the ZIP+4 codes that correspond with the political boundaries of a particular community. This process utilizes enhanced mapping software that correlates ZIP+4 codes with the U.S. Census Department's "block group" level households. The "block group" measurement is the most precise Census tool available to measure households within a very small geographical area. With this software, MBC was able to identify the ZIP+4 codes that lie within each of the three Franchise Areas.²⁷

Comcast next provided all of the ZIP+4 codes for the Franchise Areas to the Satellite Broadcasting and Communication Association ("SBCA"). SBCA is the national trade association representing the two major DBS Providers, and it has assumed the responsibility for compiling subscribership data and responding to data requests from cable operators and franchising authorities engaged in effective competition proceedings. The DBS subscriber numbers reported in the attached Effective Competition Tracking Reports ("ECTR") from SBCA

²⁵ See *Cable One, Inc. Petition for Determination of Effective Competition in Pocatello, Idaho*, 18 FCC Rcd. 12792, ¶ 8 (2003), quoting *Falcon Cable Systems II, a California Limited Partnership, d/b/a Charter Communications Petition for Determination of Effective Competition in Twelve Oregon Cities*, 17 FCC Rcd. 4648 (2002).

²⁶ See Public Notice, "Commission Announces New Standards for Showings of Effective Competition For Cable Service," 23 FCC Rcd. 12067 (2008).

²⁷ See Letter from MBC (explaining ZIP+4 methodology), attached hereto as Exhibit 5.

reflect the total DBS subscribers within the individual ZIP+4 codes associated with each of the Franchise Areas.²⁸

Finally, Comcast compared the subscribership figures reported by SBCA and AT&T with its own subscribership, and was able to confirm that its own subscribership exceeded DBS and AT&T subscribership in each of the Franchise Areas. Comcast is clearly the largest MVPD in the Lisle, Saint Charles, and Wheaton Franchise Areas.

To determine whether the combined DBS and AT&T subscribership exceeds the statutorily mandated 15 percent threshold in the Franchise Areas, Comcast compared the Competing Providers' subscribership to the most recent U.S. Census occupied household unit figures for each community.²⁹ This comparison yields the aggregate penetration rates for Competing Providers in each of the Franchise Areas.

As detailed in **Confidential Exhibit 8**, the aggregate subscriber penetration rate for the DBS Providers and AT&T exceeds the 15 percent threshold required under Section 623(1)(B) of the Act.³⁰ Accordingly, Comcast meets the second prong of the Competing Provider Test.

Because Comcast meets both prongs of the Competing Provider Test in the Franchise Areas, it faces effective competition in the Lisle, Saint Charles, and Wheaton Franchise Areas.

²⁸ See Exhibit 6 (providing total ZIP+4-based DBS subscribership for the Franchise Areas, as well as all ZIP+4 data relied on in the Petition).

²⁹ The occupied household numbers for the Franchise Areas was obtained from the 2010 U.S. Census, available at <http://www.factfinder2.census.gov>, the relevant pages of which are attached hereto as Exhibit 7.

³⁰ As noted above, Comcast is seeking confidential treatment with respect to the AT&T subscribership data for the Franchise Areas. Accordingly, AT&T's penetration rate, as well as the combined DBS provider and AT&T subscriber penetration rate for the Franchise Areas is submitted as part of **Confidential Exhibit 8** to the Petition (with a separately-submitted redacted version for inclusion in the public file).

II. COMCAST SATISFIES THE LOW PENETRATION TEST IN ONE OF THE FRANCHISE AREAS.

In addition to satisfying the Competing Provider Test above, Comcast is entitled to an effective competition determination in the Elgin Franchise Area, because the Company serves less than 30 percent of the local households in this particular Franchise Area.

Section 623(l)(1)(A) of the Act provides that a cable system will be deemed subject to effective competition if “fewer than 30 percent of the households in the franchise area subscribe to the cable service of a cable system.”³¹ The measurement of subscribership under this test “will be based on the subscribership of the particular cable system in question, and not an aggregation of the subscribership of all cable systems and competitors in the franchise area.”³² To determine whether Comcast subscribership is less than 30 percent in this Franchise Area, Comcast compared the Company’s subscribership to the U.S. Census household figures for the communities.³³ This comparison yields a Comcast penetration rate of 11.16 percent in the Elgin Franchise Area.³⁴

Comcast has demonstrated that fewer than 30 percent of the households in the Elgin Franchise Area subscribe to the Company’s cable service. Accordingly, Comcast has satisfied the criteria for establishing effective competition under 47 C.F.R. § 76.905(b)(1) for this Franchise Area.

³¹ 47 U.S.C. § 543(1)(A); 47 C.F.R. § 76.905(b)(1). See also CC Michigan L.L.C. d/b/a Comcast Communications, 17 FCC Rcd. 1513 at ¶ 2 (2002).

³² See Rate Order at ¶ 18.

³³ See Exhibit 7.

³⁴ See Exhibit 9.

CONCLUSION

Comcast has demonstrated herein that it is subject to effective competition in three of the Franchise Areas under the Competing Provider Test. The Company is subject to effective competition in one of the Franchise Areas under the Low Penetration Test. Based on the evidence presented herein, Comcast respectfully requests that the Media Bureau issue an order acknowledging the presence of effective competition in each of the four Illinois Franchise Areas as of filing date of this Petition.

Respectfully submitted,

DECLARATION OF WARREN FITTING

I, Warren Fitting, declare, under penalty of perjury that:

1. I am the Senior Director of Regulatory Accounting for Comcast Cable Communications, LLC ("Comcast").
2. I have read the foregoing Petition for Special Relief ("Petition") and am familiar with the contents thereof and the matters referred to therein.
3. I have reviewed Comcast's respective cable subscriber numbers for the Franchise Areas at issue in this Petition, the DBS subscriber numbers provided by SBCA for the individual Franchise Areas, and the AT&T subscriber numbers as described in the Petition. Comcast is the largest multichannel video program provider in the Lisle, Saint Charles, and Wheaton Franchise Areas.
4. The facts contained within the Petition are true and correct to the best of my knowledge, information and belief.

Not all services are available in all areas. Pricing, programming, channel location and packaging is subject to change. Comcast service is subject to the terms and conditions of Comcast Cable Policies and Practices. A subscription to Limited Basic Service is required to receive other services or levels of service of video programming. Some services require a CableCARD or a receiver and remote at an additional charge. Call Comcast at 1-800-XFINITY for restrictions and complete details. ^Available to customers with Limited Basic Service who use a digital receiver or compatible equipment. ^^To receive channels offered in HD, a HD television (not provided), HDTV equipment and subscription to the channel's service level or underlying premium service are required. ^^^Available to customers with Expanded Basic who use a digital receiver or compatible equipment. ^^^^A full 3D TV, compatible equipment and Comcast 3D authorization are required. *Digital Economy does not include On Demand and cannot be combined with service levels that include or require Expanded Basic. **Family Tier requires subscription to Limited Basic Service, cannot be combined with service levels that include or require Expanded Basic and does not include Music Choice or On Demand.

No todos los servicios están disponibles en todas las áreas. Precios, programación, ubicación de canales y paquetes están sujetos a cambios. Servicios de Comcast son sujetos a las condiciones de los Términos y Pólizas de Comcast Cable. Suscripción al Limited Basic Service es requerida para obtener otros servicios o niveles de servicio de programación de video. Algunos servicios requieren una tarjeta de Cable o CableCARD o un receptor digital y control remoto a un cargo adicional. Llame a Comcast al 1-800-XFINITY para restricciones y detalles completos. ^Disponible a clientes con el nivel de Limited Basic Service quienes usan un receptor digital o equipo compatible. ^^Para recibir canales en alta definición (HD) se requiere una televisión de alta definición (HDTV), equipo para televisor de alta definición (no incluido) y suscripción al nivel de servicio donde se ubica el canal o servicio premium subyacente. ^^^Disponible a clientes con el nivel de Expanded Basic quienes usan un receptor digital o equipo compatible. ^^^^Se requiere televisión de 3D, equipo compatible y autorización de 3D de Comcast. *Digital Economy no incluye On Demand y no se puede combinar con niveles de servicio que incluyen o requieren al servicio Expanded Basic y no incluye los canales de música Music Choice u On Demand.
